## SOME NEW ARRIVALS!

This weather is rather suggestive, suggesting that it is time to don lighter apparel. To augment the present stock and fill some of the gaps which necessarily occur in our shop, we are in receipt of some extreme novelties in Men's and Young Men's Toggery. If ready for your spring outfit, come in; we can interest you. Our Boys' and Juvenile Wear is the snappiest ever shown in Maysville. Some nifty creations have been added in the Hat Department. For Furnishings and Neckwear you will find ours by far the largest and most exclusive assortment from which to make your choice.

### Shoes for Men and Boys.

We haven't hardly time to say much about our Shoes, but then they are the kind that plead their own cause, "The Right Kind"—the Hanan, Nettleton, Walkover and Douglas. Remember the miniature Horse and get tickets with your purchases.

bacco for owners or growers thereof, and also  
for the purpose of re-handling, pricing, stem-  
ming and manufacturing tobacco, and to that  
end have executed articles of incorporation.

### New Belt Pins

You must SEE them. They depart so completely  
from past designs we cannot hope to convey a correct  
picture in type. Art designs in dull gold, lightened here  
and there by burnished points set with coral, turquoise  
and jade. "Arts and Crafts" designs in copper colors  
toning into greens of many shades. Pearl pins of trans-  
lucent beauty, handsomely carved.

For all this loveliness you anticipate at least a dol-  
lar mark—yet 25c or 50c will make you a proud and  
happy owner.

### Excellent Rug Values

HARTFORD AXMINSTER RUGS with deep  
pile, in rich color effects, a quality noted for its durability

and a value that should command a strong selling at the  
low prices.

NEW KILMARNOCK RUGS—Undoubtedly the  
most attractive of all domestic rugs, in the well-known  
"Scotch weave." Designs in Art Nouveau, Morris, etc.  
Artistic centers with plain shaded or figured borders. A  
display well worth careful inspection.

### Sumptuousness in Suits

To many of our SUITS the word sumptuous may  
be applied without exaggeration—others are quite simple  
—all are practical, dignified garments that well-gowned  
women will admire. As to prices, \$15 to \$40, give some  
ideas of the leeway offered.

### Gloves

The new suit must be finished with new GLOVES.  
Nowhere can selection be easier or more satisfactory than  
in this stock. Don't buy until you see it. A broad as-  
sortment. \$1 to \$3 1/2.

MERZ BROS.

Who said spring fever is causing all the trouble.

This is nice weather to get busy on the brick street proposition.

WHY not rent Sutton street for a junk yard? How much, Mr. MIDDLEMAN, will you give a year for this nice place for a bone yard and a junk heap?

THE City Council says that brick streets cannot be put down until the necessary sewers are laid. Well, who is going to construct the sewers, Santa Claus?

FORTY crossings—count them yourself—in the City of Maysville, that are not on the map. And there are millions of brick and tons of concrete on the market, too.

THE chance for getting a private bill through Congress would seem to be about as good as finding a needle in a haystack. Of the 51,000 private bills introduced in the last Congress only 175 were enacted.

TIME was when Sutton street was one of the busiest and prettiest in Maysville and one could enjoy a promenade along the classic old thoroughfare. Now, however, a person has difficulty in threading his way on either side, while the street itself is as bad as a country creek road. This is no libel or exaggeration.

A CHICAGO Preacher has made a half million dollars speculating on the side. That is, he made the money minding his own business and letting other people's business alone. A moral to this.

IT rests with the City Council whether Maysville is to be on the boom or on the bum. It is not a pleasant thought to see public improvements humming in all our sister cities while Maysville sits with her thumb in her mouth suffering with a chronic attack of that old Kentucky tired feeling.

NO WONDER Maysville hasn't but two automobiles. If we had brick streets there would be a score scooting around like fairy cars. But, then, somebody might get hurt. Yes, and it wouldn't hurt to see a mossback or two get run over by an auto. The shaking up might do them good. You know some people have to have a brick street fall on them before they wake up.

THE residents of West Second street are getting ready for the annual battle with the summer dust. It is a fact that the mud can be thicker and deeper in West Second in winter and the dust worse in summer than any other quarter of a mile of public street on earth. This could all be ended this season with a vitrified brick street and a concrete sidewalk on the North side. Think of what a lovely thoroughfare this would make with a lovely promenade on the side!

THE IDEA!  
Life.  
Mrs. Bullion—I wish I knew something to do that would provide me with an absolutely new sensation.  
Mr. Bullion—Go out and pay cash for something.

Heutric Firman and Lester Wallingford, Maysville High School boys, ran a half mile foot race yesterday at the race track in Clifton, Wallingford winning in 2:41, Firman finishing in 3:4 minutes.

A special series of meetings began last evening at the First M. E. Church, South. Preaching every evening at 7:30 o'clock by Rev. B. C. Horton of Fort Thomas, Ky. A cordial invitation is extended to all to attend these meetings.

Reed & Dawson will begin work today on their 10,000 square feet of concreting around the New High School Building. They have given bond for the completion of the contract, which will total close to \$1,300. It is their purpose to finish the entire work in two weeks after they get a good start.

Mrs. Sherman Arn gave an icecream supper Saturday night in the Glascock Building, corner of Second and Sutton streets, that netted \$18 for the enterprising lady. Mrs. Arn teaches a class in the Baptist Sunday-school and she has in view the commendable purpose of giving her scholars an outing and trip to the Cincinnati Zoo sometime this summer, and the supper was given to supply the money to pay expenses of the trip. The amount thus far secured is not sufficient for the excursion and the supper will be repeated at some near future date, so have in mind the good intent with which the funds thus derived are to be expended and patronize the good woman in her laudable undertaking.

#### "IL TROVATORE" BEAUTIFULLY RENDERED.

Despite the heavy downpour of a cold April rain, many music lovers of Maysville braved the frowning elements last night to witness the rendition of Verdi's masterpiece, "Il Trovatore," at the Washington Theater by The Boston Grand Opera Company. The opera was a veritable feast of song and the audience was charmed beyond measure by the excellence of the splendid company. Every member of the troupe was an artist, and their interpretation of the characters deserved the numerous encores which the small, but appreciative audience gave them. Mr. Starling's company is a worthy musical organization and can hold its own with the best of such metropolitan singers.

#### PASSED THE FALLS

Messrs. Pelham and Rasp Maysville Men, Making Record Run

The many friends of Lewis Pelham and Conrad Rasp, who are touring the waters of the beautiful Ohio, Mississippi and Tennessee rivers, have received word that the bold navigators passed the Falls of the Ohio at Louisville Monday at 2 p. m. and were heading for Paducah, their next stop. Their gasoline launch, the "Swastika," is a 35-foot entirely seaworthy craft fitted out for the 2,200-mile trip with all the necessary paraphernalia.

The ship's log will be interesting reading when the Maysville tars return home.

#### Municipal Expenditure.

All American cities, says the Minneapolis Journal, should do more for their people. That they do not is sometimes a marvel. The reason for the paucity of results is difficult to find. Undoubtedly much money is wasted. Unquestionably some is stolen. But carelessness and graft do not account for the whole situation. The true cause is probably the fact that in everything it buys, from the cheapest labor to highest priced material, the city gets less for its money year in and year out than the private purchaser. Uncle Sam has the reputation of driving hard bargains, but our American cities never have achieved such fame. They still buy in the dearest and sell—when they have anything to sell—in the cheapest market.—Cincinnati Citizens' Bulletin.

#### SEES A WORLD WAR

Editor Stead Predicts Awful Results From Turkish Revolt

"The outbreak of a concenter revolution in Constantinople may involve the whole world in war," declared William T. Stead in London. "Old-world Powers hope for the best, but are preparing for the worst. The Bulgarians, who missed their first chance of rushing on Constantinople last July, are now presented with a second and better opportunity. "An attack upon Turkey last summer would have outraged the moral sense of the continent. To depose despots, restored by military pronouncements, is a much less formidable undertaking."

# WHAT IS HEM-ROID?

A Tablet, Taken Internally, That Cures Piles  
Piles (hemorrhoids) are getting more common every day, because we live unnaturally, over-eating, overworking, taking little exercise, gradually causing a swelling of veins and thickening in the lower bowel. Blood stagnation is the cause of piles and a condition that can't be permanently cured with ointments. Dr. Leonhardt's Hem-Roid is the only internal tablet remedy that cures piles by freeing the circulation. Sold under guarantee at J. James Wood & Son's, Mayaville, Ky. Price \$1. # WOMEN MUST LEAD

Civic Betterment, After all, Goes Back to the Home, Says a Missouri Paper

In an editorial published in the Sedalia (Mo.) Standard Sentinel, appeared these paragraphs concerning the work of the American Civic Association:

"The idea of women's clubs taking up and agitating civic cleanliness seems to be spreading rapidly and interest everywhere is being aroused. In many cities these club members are actively at work and are accomplishing more than ordinary results."

"A clean and perfect municipal administration might accomplish most of the objects that women are striving to attain, but no perfunctory government could ever infuse the same life, arouse the neighborhood's sense of duty to one's immediate surroundings, or inculcate the spirit of civic co-operation which alone makes it truly patriotic citizenship."

"So, after all, women's work in civic improvement brings her back to home and child, for her work is a factor not only in civic betterment, but in training the future citizen in enlightened civic pride."

It seems that we must get the women interested before we can make "a city beautiful" out of Mayaville.

# HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

Destroy the cause—you remove the effect.  
Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

As the price of flour goes up the size of a loaf of bread goes down. It has been agreed by the Master Bakers to reduce the size of the loaf to correspond to the increase in the price of flour. Rye and cornbread will be the poor man's staff of life here in Mayaville if the wheat gamblers continue to manipulate the grain market much longer.

Four prominent cattle men were taken from the City Jail at Ada, Oklahoma, yesterday and lynched by a mob of 100 citizens. The mob, it is said, was organized in the Commercial Club rooms and marched to the Jail at 3 a. m. There was little excitement during the lynching. Those lynched were J. B. Miller of Ft. Worth, Tex., B. B. Burrell of Duncan, Oklahoma, Jesse West of Canadian Texas and Joe Allen of Canadian Texas. West and Allen were well-to-do Texans and large cattle owners. They were charged with the murder of former U. S. Marshal A. A. Bobbitt.

Stock feed is very scarce; as a consequence, many cattle are ill from eating buckeye buds and stagger weed. These two poisonous things are among the earliest of spring growths and cattle seem fond of them. Well-fed cattle are not hurt by such eating, but when they are thin they suffer severely and often die from their poisonous effects. Milk, eggs and lard are the antidotes most commonly used.

### NATURE'S WARNING.

Maysville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you.

Notice the kidney secretions. See if the color is unhealthy—

If there are settlements and sediment. Passages frequent, scanty, painful.

It's time then to use Doan's Kidney Pills. To ward off Bright's disease or diabetes.

Doan's have done great work in this locality. James W. Cottingham, East Second street, Vaoceburg, Ky., says:

"About two years ago my back became lame and I had almost constant pain across my loins. It was all I could do to drag one foot after another and I was actually too weak to work. The kidney secretions were scanty and I had a difficulty in passing them. I was laid up at one time for a month and could not leave the house. When Doan's Kidney Pills were recommended to me, I procured a box and began their use. My kidneys were soon restored to their normal condition. I became strong and gave up my trouble since. It gives me the greatest pleasure to recommend Doan's Kidney Pills to other persons suffering from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
